

## Demi Dressage Hobby Horse Jumping Test

This is a 'Freestyle' test. Max video time 4 minutes.

You must show the following movements:

Enter down the centre line from A (judge to be filming from C)

You must show some trot and some canter on both reins.

You must jump at least twice (once on each rein) - it is up to you whether you jump from trot or canter - and a max of six times.

You can position jumps (max four) wherever you like in the arena.

You can re-use a single jump for all your jumping if this is all you have!

You must finish with a halt and salute somewhere on the centre line facing the judge at C.

Jumps can be created from whatever materials you can lay your hands on. They do not have to be big. Build them safely please - no trips or falls!

### Marks:

A max of 10 marks for trot work on the left rein.

A max of 10 marks for trot work on the right rein.

A max of 10 marks for canter work on the left rein.

A max of 10 marks for canter work on the right rein.

BONUS Marks: A max of 10 marks for correct flying changes shown when changing canter leads.

A max of 20 jumping marks (based on style and approach not height).

A max of 10 marks for your halt and salute.

BONUS Marks: A max of 10 marks for the use of your arena and fluency of your jump course.
